Grade All

The institute has procured a learning platform for its students. Currently, the institute serves 4878 students across 10 institutes located in 22 states and 74 cities. The interactive dashboard provides an overview of student progress from February 2022 to January 2023, allowing the institute's President, Zonal Director, Deans, and Principals to make data-driven decisions to enhance the students' learning experience while also promoting transparency and accountability.

Grade Wise

Number of Learners by Grade and Institute							
Institute Name	Grade 6-8	Grade 8-12	Graduate	Others	Postgraduate	Professional	Total
XYZ Pu College		220	84	55	58	25	442
